# I'm Going to School!

## “AMPARO”

A Spanish word meaning protection, refuge and help.

Amparo International is a Canadian faith-based nonprofit with a heart for hope and transformation. We operate Colegio Amparo, a K-12 school tucked away in one of the most remote corners of Nicaragua, serving 250 students from 8 surrounding communities.

## FRANCISCO'S STORY

Francisco travels one and a half hours by boat and thirty minutes walking, to get to school.

He couldn't start high school right away because there were no nearby schools before Amparo.

Francisco dreams of becoming a doctor to help his community, where access to healthcare is minimal.
